Please see terms of each tariff:

<p>Annual Pontoon Berthing is a 12-month licence, from 1st April to 31st March each year and can be started on a pro-rata basis until 31st August.</p>	<p>Boat Trailer Storage is available to licence holders, annual storage is from 1st April - 31st March and may not be pro-rata.</p>
<p>Annual Hardstanding Storage is a 12-month licence, from 1st April to 31st March each year and can be started on a pro-rata basis until 31st August. Boats licenced on a hardstanding storage licence, will not be allocated a pontoon berth, and if a pontoon berth is requested, the boat will be entered onto our waiting list, hard standing storage pricing still applies until a pontoon berth is offered. This also includes other items for hardstanding storage such as containers, erected cradles and box trailers, for items located on-site.</p>	<p>Dismantled Cradle Storage is for cradles dismantled and put on a pallet by the owner. available to licence holders, annual storage is from 1st April - 31st March and may not be pro-rata. Cradles left erected will be charged at £360.00 per Metre per annum or on our monthly charge for shorter periods.</p>
<p>Discount Berthing is a 12-month licence from 1st April to 31st March each year and can be started on a pro-rata basis until 31st August, for either a berth on the south side of A pontoon (maximum 7m length) or north side of E pontoon (max 7.5m length). All boats must have a beam under 3 metres for a discount berth. There is no access to the shower/toilets, except for the accessible toilet. There is no access to hard standing unless you pay an additional charge of £17.50 per metre per month, in addition to your annual discount licence.</p>	<p>Small Item Storage is available for licence holders only from 1st April - 31st March. The included space is 2m Shelf.</p>
<p>Summer Berthing is a pontoon berth or storage ashore licence between 1st April – 30th September.</p>	<p>Mast Storage is for the storage of any mast or boom on a mast rack or stored in the boat yard. Annual Mast storage is from the 1st April to 31st March, and may not be pro-rata.</p>
<p>Winter Berthing is a pontoon berth or storage ashore licence between 1st October – 31st March.</p>	<p>Lift to Hardstanding is for a lift to the hardstanding, 1/2 Hour Pressure wash and chocking if support if required.</p>
